

# SUCCESS STORY

Tell others about the positive result you have experience with us!

I have had knee problems since 2012. This procedure has improved my knee so much I am almost at three miles on my daily walks. It feels so good to be able to get outside and be active again. This has dramatically changed my daily life. I <sup>highly</sup> recommend this procedure for people that have knee issues and want to be able to become active again.

(you may continue your testimonial on the back if needed)

## PHOTO AND TESTIMONIAL RELEASE FORM

(Print Name) Julie Enos, hereby grant permission to Buchanan Health Center and its assigns, transferees, representatives and/or authorized agents to use my photograph and any testimonial I give regarding the services, products or care I receive from any such office, in any marketing, advertising or teaching materials used to market or advertise its services, including use on web sites, photograph and/or testimonial at this time, but may do so at their own discretion at a later date. I also understand that once my image or testimonial is posted on a web site, they can be downloaded by any computer user, which is beyond the control of Buchanan Health Center and I will hold them and any of their affiliated offices or agents harmless from any such use or download. I hereby freely and voluntarily consent to the use of my photograph and testimonial as stated above until I revoke this consent in writing.
